Mid-November '24, our phone rang and on the other end was a guy with a strong Southern drawl checking in to see if there was any booth space remaining for **2025 MUSKIE MAX**. His name was Bryan and he represented a U.S.-Veterans-based organization called **Warrior Muskie Hunt** based out of South Central Kentucky. I have a ton of respect for our U.S. Veterans and told Bryan we'll make room for their group.

Excited to have these men & women join us for **2025 MUSKIE MAX**, here is a little info about the organization. **Warrior Muskie Hunt** is a 501(c)(3) nonprofit organization based in South Central Kentucky -- dedicated to honoring and supporting our Veterans. Run entirely by passionate volunteers, they provide outdoor fishing experiences tailored specifically for those who have served. "Our mission is to give veterans a chance to connect, unwind, and find camaraderie in the peaceful surroundings of nature. Through fishing trips, we create meaningful moments and lasting bonds for those who've given so much." -- *Bryan Harris, Pres.*
